

# XMP-6250

1080p Solid-State Network Media Player

Embrace the multimedia age with the XMP-6250 Media Player. Feature dynamic and engaging digital signs in designed locations to deliver customized information or advertisement instantly.

## Effortless Setup

Setting up the XMP-6250 couldn't be easier. Simply power up the device and you are ready to go. Previous technology experience is not necessary, which reduces overall set up costs.

## Easy and Flexible Usability

So much power is packed into such a small form factor. The XMP-6250 content management is centralized and remote. You can control playback schedule as well as turn on and off display all from your fingertips.

## Minimal Maintenance

The robust XMP-6250 is designed for 24/7 usage with self-recovery mechanism and a fanless cooling system for minimal maintenance and maximum running time.
